

8 March 2023

Dear Parents/Carers,

There have been warnings of snow forecasted over the next two days. While we believe that it will not be heavy on the Wirral, we know that this may not be the case for some of our pupils who come from further afield.

If the snow fall is heavy in your area, the taxis may decide to do one of the following:

- Not transport children to school
- Transport children to school but they may decide to take them home early

The taxi services make a decision which does not involve the school, so if your child's taxi is not running we would expect them to warn you in advance.

If you are concerned your child cannot get to school safely, there are activities which they can do at home:

- KS4 and KS5 (ages 14 +) - GCSE Bitesize in their subjects or GCSE POD
- KS3 (ages 11-14) - KS3 Bitesize in all subjects. They can also watch clips by Ace Maths on You Tube.
- KS2 (ages 7-11) - KS2 Bitesize in English, Maths and Science. They can also watch Horrible Histories online.

Please contact your child's class teacher for additional activities for pupils in KS3 and KS4.

Thank you for your continued support. If your child is unable to attend school due to the inclement weather please call or email the school to inform us.

Kind regards

Sian Thomas
