Meet the College and Training Provider Event

5th October 2022 — 3:30pm to 5:30pm

Dear Parent and Carers

We would like to invite you to meet with local colleges and training providers, as part of our career pathways programme. This event enables you to discuss with colleges and training providers what type of courses, services and support that they could offer to young people.

We host the providers in WKS main hall to empower our pupils to consider options for their future, in a secure, safe environment with the support of our staff. Pupils will be given the opportunity during the school day and we would like to offer this opportunity to parents and carers.

We will be welcoming parents to look around our Post 16 facilities and Post 16 staff will be available to answer your questions. The following providers have confirmed they will be at the event:

Wirral
Metropolitan
College

Aspris

If you would like to come along, please let Mrs Shallcross know by emailing her hshallcross@wksr.co.uk There will be light refreshments available.
